26320 Guy Arab II Utility SOUTHDOWN

In this interesting Southdown model we found fleet number 423, registration number GUF 123 operating on route 13B to North Moulcombe. When creating the artwork for this model the East Sussex destination gave us some cause for concern until we discovered that the town name had been changed in the 1950's to Moulscloomb.

MARCH RELEASE:

17306 Leyland National Mki Long MIDLAND RED

Our Leyland National model depicts fleet number 101 repainted into an original Midland Red livery as part of the centenary celebrations. Registered HHA 101L this First Midland Red National operates route 121 to Birmingham.
